About this Document

Scope

This document provides details of features and enhancements made to the DIKSHA platform and mobile application for the release version 1.13.0, released on January 14, 2019.

Intended Audience

These release notes provide useful information to:
- State administrators
- DIKSHA PMU

Document Structure

Readers of this document can find specific information within DIKSHA's current broad focus areas of:

- Energized Textbooks
- Assessments
- Teacher Professional Development
- Administration

The enhancements and new features in each of these areas are further classified, based on their use as either for:

- Creation, or
- Consumption

The document also contains a list of reported bugs that have been addressed as part of the release.

Energized Textbook - Creation

New Features

No.	Feature	Description	Roles Impacted
1	Alert Message on Session Expiry	To inform users to log in again and resume work when a user is timed out due to inactivity, an alert message is displayed. Users are timed out after 30 minutes of inactivity	Book Creators
2	Content Collaboration	Users can collaborate and create Resources, Textbooks, Courses, and Collections. This feature has multiple aspects: ● Creators can add collaborators using the "add collaborator" icon available in the inbuilt content editor ● When a user is added as a collaborator to any content, the user is notified of the same on an email ● All content on which the creator is collaborating are listed under the section "Collaborations" in Workspace ● At any given point of time, only one collaborator can work on the content ● When a collaborator attempts to edit the content which is already being edited by another collaborator, a lock icon along with a pop-up message is displayed to notify the collaborator of the same For details, refer Content Collaborations	Book Creators
3	ToC Upload	Creators can create and upload the ToC as a .csv file. This feature has multiple aspects: ● Creators can create the ToC in a .csv file and then upload the same ● Creators can download the .csv file from the portal. The downloaded file can be edited and uploaded again For details, refer Book Creation	Book Creators

| 4 | Field name change | Field "Board" and "Board/University" has been renamed to "Board/Syllabus" | Book Creators |

Energized Textbook (Consumption)

New Features

No.	Feature	Description	Roles Impacted
1	Self Sign Up	Any user can sign up on DIKSHA portal and DIKSHA mobile app using a mobile number or email ID For details, refer Sign Up	Any user
2	Terms and Conditions	The Sign In and Sign Up workflow has been enhanced to include a Terms and Conditions screen which is displayed on Sign Up and Sign In. Users must accept the Terms and Conditions to proceed using the portal and the DIKSHA mobile app.	Any user
3	UX Enhancements	The following elements in the user interface design of the DIKSHA solution are modified or added to improve user experience: ● Header bar across all pages ● Footer across all pages ● QR code search option ● Language selection drop-down ● Explore content option ● Login renamed to Sign In ● Pages are also enhanced for visual appeal For details, refer Library	Any user
4	Sign in through Google	Any user can log in to the DIKSHA portal and DIKSHA mobile app using their Google account credentials For details, refer Sign In	Any user
5	Search results enhanced	Users can view accurate search results when using the "explore content from" option	Any user

Teacher Professional Development (Creation)

New Features

No.	Feature	Description	Roles Impacted
1	Alert message on session expiry	To inform users to log in again and resume work when a user is timed out due to inactivity, an alert message is displayed. Users are timed out after 30 minutes of inactivity	Content creators
2	Content collaboration	Users can collaborate and create Resources, Textbooks, Courses, and Collections. This feature has multiple aspects: ● Creators can add collaborators using the "add collaborator" icon available in the inbuilt content editor ● When a user is added as a collaborator to any content, the user is notified of the same on an email ● All content on which the creator is collaborating are listed under the section "Collaborations" in Workspace ● At any given point of time, only one collaborator can work on the content ● When a collaborator attempts to edit the content which is already being edited by another collaborator, a lock icon along with a pop-up message is displayed to notify the collaborator of the same For details, refer Content Collaborations	Content creators

Teacher Professional Development (Consumption)

New Features

No.	Feature	Description	Roles Impacted
1	Self Sign Up	Any user can sign up on DIKSHA portal and DIKSHA mobile app using a mobile number or email ID For details, refer Sign Up	Any user
2	UX enhancements	The following elements in the user interface design of the DIKSHA solution are modified or added to improve user experience: ● Header bar across all pages ● Footer across all pages ● QR code search option ● Language selection drop-down ● Explore content option ● Login renamed to Sign In ● Pages are also enhanced for visual appeal For details, refer Library	Any user
